

Friends of KNIGHTON PARK

Helping to preserve
the Park's history & beauty

Who are Friends of Knighton Park?

We are a voluntary group whose aim is to preserve and improve Knighton Park and its facilities for the benefit of all current and future visitors. The group has a committee of 15 and a current membership of approximately 200.

What does the Friends group do?

The committee, on behalf of members, works with Park Services to promote the Park. We actively fundraise and apply for grants to enhance facilities within the park. We also participate in the organisation and running of events on the park.

Why should I become a friend?

By becoming a Friend of Knighton Park you are supporting your local park and ensuring it's future success. You will also receive regular newsletters which will keep you updated with all the events throughout the year and the ongoing/future projects.

Having a large membership base increases our opportunities with grant applications and gives us more opinions on which to base any decisions made.

How do I become a Friend?

Just simply fill in the form on this leaflet, cut out and send it with your membership fee to the address given. Adult membership only £2.00 a year and a family membership just £3.50.
